Erasmus+ KA131 Student Traineeship for LANGUAGE ASSISTANT 2024/25

at University of Cadiz (UCA)

With the aim of promoting European internationalization and offering students the possibility of personal and professional development, this offer of a practical training stay at the University of Cadiz is launched, in accordance with the lines of action of its strategic plan for internationalization.

The University of Cadiz is a public university located in the province of Cadiz, Andalusia, in southern Spain. Although officially established in 1979, the university can trace its origins back to the 15th century. UCA has four campuses located in four different cities of the province: Cadiz, Puerto Real, Jerez and Algeciras.

The province of Cadiz has a rich history which has left behind a remarkable imprint reflected in its streets, which you can explore while enjoying the wonderful climate.

The UCA is the coordinator of SEA-EU, the European University of the Seas - an alliance of 9 Universities (Cadiz, Brest, Kiel, Gdańsk, Split, Malta, Naples, Algarve and Nord) to establish a distinctly international, pluri-ethnic, multilingual and interdisciplinary European University. This vision is rooted in the high quality and excellence in education and research of the alliance with the intent to strengthen the links between teaching, research, innovation and knowledge transfer.

The University of Cadiz's incoming language assistant programme offers you the opportunity to do an internship as a language assistant in one of the seven university centres which, spread over the four campuses, have a language plan. You will join a teaching and research team that is firmly committed to the diversity of languages, in line with the internationalisation policy of our university, projected in the current local and global context, with a multilingual and multicultural vocation, and based on two fundamental points: the learning and use of foreign languages and the promotion of the Spanish language.
